

"N. Kazantzakis" Airport of Heraklion

Client: Hellenic Duty Free Shops S.A.

Cost estimate: 8,500,000 EUR

Full Design for an Extension to the Airport's Departures Area with a two-storey building. Architectural Design for the Rearrangement and Extension of the Existing Terminal Building (6,000 m²) to provide Waiting Areas and new Departure Gates. The Design also concerned the Rearrangement of the existing Terminal Building to create retail and passenger waiting areas, as well the replanning of the passenger control areas.
