Malliaropoulio Theatre

Client: City Council of Tripoli
Estimated cost: EUR 3.5 m
In operation

The project concerns the 200-seat Municipal Theatre of Tripolis in the Peloponnese, erected during 1906-1910 and declared a Scheduled Monument. The project objectives were: (a) to restore the Scheduled Monument to its original form, (b) to enable the operation of the Theatre in accordance with up to date functional and safety requirements, and (c) to use the renovated Theatre as a lever for the enhancement and regeneration of the surrounding urban area.
