Concert Hall

Client: "Thessalonica Concert Hall Organisation"
Cost Estimate: EUR 32,000,000

Competition entry in the turn-key tender procedure in collaboration with contractors "Elliniki Technodomiki". The architectural design was based on the tender design elaborated by "Ellinotechniki S.A." and concerned the construction of two buildings comprising the "Concert Hall of Thessalonica". Building A included the Concert / Congress Hall and its auxiliary spaces and Building B would host the Music Library and the Museum of Music. The design also comprised the urban design for the surrounding grounds.
