Rex Theatre Building Complex

Client: Ministry of Culture and Science and contractors Joint Venture "K. Savvidis- A. Moraitis" (with consultants T. Papagiannis and I. Scrubelos).
Cost estimate: EUR 6.08 m.

Full architectural services for the restoration and conservation of the Historic Theatre building complex "Rex", which had been destroyed by fire. It concerns a theatre (680 seats), a cinema (350 seats), conference halls and modifications to the existing building. The design has been undertaken after winning in a turn-key tender procedure.
